1.0 POLICY:

The Board believes that field trips designated to stimulate student interest in business and industry are considered appropriate extensions of the classroom. Field trips are authorized to the extent that they provide an effective means for accomplishing curriculum objectives of the course. Permission for trips involving more than one day shall be obtained from the superintendent or superintendent's designee.

High school students or underage students will be required to furnish a Parent/Guardian's Permission Form before trips are made.
